

# SMART LIGHTING SOLUTIONS

for a brighter tomorrow

Commercial Lighting | Industrial Lighting | Outdoor Lighting

[www.kwwelectricals.com](http://www.kwwelectricals.com)

# ABOUT

KWW Electricals & Electronics Private Limited, being one of the major players in the lighting industry, introduces complete range of LED lights and fittings under its brand KWW. While catering to the requirement for illumination of the premium segment, the company wants to touch the life of every citizen of the country. Thus, it offers the complete range of LED solution to the residential, commercial as well as industrial entities.

KWW Electricals & Electronics Private Limited has its own manufacturing set-up with a team of highly qualified engineers, world class infrastructure and specialized equipment. All products manufactured at our plant pass through stringent quality check process.

KWW Electricals & Electronics Private Limited, one of the fastest growing companies of the Khaitan Group, believes in value creation that ultimately enhances quality of life through its contribution towards society. The Group never believed in mindless expansion of business only for the sake of business. Rather, the Group's expertise in product development, manufacturing capability and marketing skills - all added up to the launch of LEDs, which bear the Group's commitment to excellence. With cost-saving, energy -efficient and eco-friendly range of LED lights and fittings, in their journey to light up the future, KWW LED is committed towards customer satisfaction.

## Applications of LED Lightings

- ◆ Street and Outdoor Lighting ◆ Retail Display Lighting ◆ Parking Structure Lighting
- ◆ Corporate Campus Lighting ◆ Industrial and Warehouse Lighting
- ◆ Recreation and Public Venue Lighting ◆ Residential Lighting ◆ Municipal Lighting
